Introducing Destiny Spirit Apostolic Network

For quite some time, we have been sensing and prophesying change. We have been like the caterpillar encased in his tight cocoon, waiting for the day of release. That season of metamorphosis has come with great struggle, challenges, and uncertainty, during which we have all been dramatically transformed. Now as a butterfly, we are emerging into the next stage of maturity and God-chosen purpose to live a new kind of life.

Destiny Spirit has always been a training, equipping, and sending ministry. We have seen many people come through, receive prophetic ministry, teaching, training, and healing, and then move on. Now we are evolving and expanding into a training ministry without walls, a trans-local network of people committed to advancing the Kingdom in various forms. We have moved from a pastoral mode to an apostolic one.

I extend the invitation to you to continue to walk with me in this expansion, whether your ministry is helps, marketplace, or fivefold.

Participation in the network is not exclusive.

Members may be a part of other networks or churches.

Doctrinal Statement

We believe...

- In one God, manifest in three persons: Father, Son, Holy Spirit
- All are born sinners and must be born again by believing on Jesus Christ as Lord and Savior whose blood was shed for the remission of sin
- In baptism in water and the baptism of the Holy Spirit
- In the present-day operation of the gifts of the Spirit and all fivefold ministries including apostles and prophets
- In divine healing for the whole man: spirit, soul, body
- In the final authority of the Word of God, the Bible
- In the literal return of Jesus Christ to the earth
- The fruit of the Spirit should be increasingly evident in a believer's life
- The Christian sex ethic is limited to sexual activity between a man and his wife
- Racism has no place in the life of a believer
- Conduct in financial and other operations in our business, ministry and family is to be done in a manner which reflects generally accepted Biblical truths and practices
